|------------------------------|--|--|--|--|---|---|--|--|---|---|--|--|
| ARIES April 14-May 14        | Two Aries meet, fight first then have great sex        | Sticky sex and mad love, then Aries bolts or butts | Gemini will flee from obtuse, offending Aries              | Aries gets fired up, then gets fired by Cancer, a bigger bully | Sex first, argument later, total frustration in the end   | Virgo will be happy to analyze Aries' sex problems              | Looks good: fly, sexy, but temporary matchup for Aries   | Aries will feel raped, Scorpio won't give a damn           | Crazy sex yet no love can make fire fight a washout | How bad does Aries want to be dominated?                      | Great if Aquarius likes competition in bed           | No way! this is madness! Lies and slander!                     |
| TAURUS May 15-June 14        | An equal matchup that lasts—in hell                    | Shared interests in oral sex, accumulation, wealth | Gemini talks, Gemini walks, has affairs while Taurus stews | Good for all out sex and decorating the house                  | All night sex, then disputes and pure hatred              | Busy Virgo, petty squabbles, unhappy Taurus                     | Taurus will never trust Libra (for good reason)          | Torrid sex, then permanent love or both run for your lives | The only affair here can only happen via email      | This works if Cap will spend the whole paycheck               | Distant, Aquarius, passive-aggressive Taurus         | Pisces lies will drive Taurus up the wall with desire and lust |
| GEMINI June 15-July 16       | Nothing in common but quick, hotspot sex, so what?     | Taurus will do the nasty on Gemini all night long  | Too many good questions, no good answers!                  | Gemini doesn't take direction that well                        | Sexual curiosity leads to experimentation                 | Almost like brother and sister incest                           | This pair will dazzle the crowd, then each other.        | Gemini in bondage; maybe its fun for Scorpio               | This is a horny duo when the talk stops             | Dead in the water, unless Gemini is stoned                    | Not bad for brief affair, otherwise jealousy         | No love, but could be a great clandestine affair               |
| CANCER July 17-Aug. 16       | Great S&M sex, greater fantasies                       | Taurus can penetrate hard and slow                 | Cancer mothers and smothers Gemini                         | Crabs in a bucket. Don't ever try to leave!                    | Male + Female roles are in sync                           | Great slow sex until Virgo wants to be alone, Cancer freezes up | Just great sex, but then you must part, no broken hearts | Finally, someone who understands! And can oral sex you!    | So long as Sagittarius is on the top all goes well  | This could work in the lab, but Capricorn can be too cruel    | Each must love in your own way to survive day to day | Lovely sex, dream come true until Pisces starts lying          |
| LEO Aug. 17-Sept. 16         | Yahoo! The battle royale: torrid sex, then death match | Strange desires meet, love can grow and grow!      | So long as Gemini is willing to pay homage and Leo listens | Can Leo not offend Cancer?                                     | Great sex, but who's taking care of business?             | Virgo will wilt Leo's sex drive with criticism                  | So long as Leo stays on the bottom; not long!            | A sex marathon where the winner takes all                  | Burning with passion, no understanding              | Leos don't like to be bossed around in bed                    | Erotic potential, but how do you connect?            | A matter of time before exasperation sets in                   |
| VIRGO Sept. 17-Oct. 16       | Pride and prejudice, great combo!                      | Whoa! Some thorough sexing is taking place here    | Endless mutual masturbation, but fun!                      | Virgo will use Cancer, who will do it to impress               | Virgo will wilt Leo's sex drive with criticism eventually | Great sex becomes rare and then it's mechanical                 | Virgo will be turned on, then off then on again          | Excellent for sex, but Scorpio has too many secrets        | Instant dislike, possible one night stand           | Mutual respect will help between the sheets                   | No security in this love affair                      | Two ships passing in the night, one is the Titanic             |
| LIBRA Oct. 17-Nov. 15        | Do opposites attract? Yes!                             | Great sex but Libra will get bored soon            | Fantastic foreplay, what about orgasm?                     | Maybe Cancer will trust Libra; not for long!                   | Leo will get stood up once too often                      | Sounds good in theory, but no go!                               | Two Libras won't share the limelight for long            | Scorpios don't play part time love affair                  | Like "out-of-town" sex, what a thrill!              | Good sex but separate bedrooms                                | Very shaky in the fidelity dept.                     | Let's hope Pisces knows how to please                          |
| SCORPIO Nov. 16-Dec. 15      | Scorpio will be waiting for Aries' downfall            | The beast with two backs + the other 68 ways       | Fast and furious, then nothing much                        | This could be a long term relationship                         | Sexually, each will "service" the other nicely            | Scorpio can't be analyzed and like it for long                  | Jealous Scorp will stalk flighty Libra                   | More like medical dissection than sex                      | Sex only works if Scorp can accept the lies         | Capricorn gets fussy, Scorpio gets some-one else              | Airhead meets warhead                                | Wonderful until Scorpio catches Pisces                         |
| SAGIT-TARIUS Dec. 16-Jan. 13 | This is an explosive sexual bonanza or bust            | No way is Taurus gonna fall for it                 | Gemini can't perform on command like Sag.                  | The master and his willing slave (?)                           | Fireworks won't cover up basic inertia                    | Can Virgo blindly follow Sag into bliss? No doubt!              | Two big time liars meet and have sex together            | This is more like torture than true love                   | In sex, it's not who gets to the finish line first! | This is a battle of wills, not of the sexes                   | Two singles who want to stay single                  | Too many chiefs, no indians in this powwow                     |
| CAPRI-CORN Jan. 14-Feb. 12   | After the win-win sex, comes the no win life           | No-holds barred sex may be too much for Cap        | Cap thinks Gemini can be changed. Hah!                     | Too many chiefs, no indians in this powwow                     | Boss Cap is the power behind the throne                   | Sexual bliss in a low-key sort of way, the Earth may move       | Cap won't want to be just one of Libra's conquests       | Sex only leads to problems of power and abuse              | Sag can make Capricorn scream and holla             | You'll bore each other to death with the perfect relationship | Works if the Cap wants to take on a challenge        | Can Cap sublimate anxiety for plush sex? No!                   |
| AQUAR-IUS Feb. 13-Mar. 13    | Spectacular sex, eventual estrangement                 | This tryst may bring Aquarius down to earth        | Interesting conversation, no sexual chemistry              | Great for Oedipus complex relationships                        | War in the East, war in the West, war all over            | These sexual signals can't be deciphered                        | Does Libra need a sidekick or a lover?                   | Aquarius doesn't take to total domination                  | It's a love-the one-you're-with situation           | Cap will try to pin Aquarius to the ground                    | This probably won't ever get off the ground          | This is pure love; the sex should follow                       |
| PISCES Mar. 14-April 13      | This is a recipe for violence and abuse                | Pisces will drive Taurus mad with lust, then mad   | Great friendship, business arrangement,                    | Cancer will turn into a monster                                | Correct sexual roles lead to total bliss                  | Virgo will make Pisces slowly but surely go underground         | Looks good, works good, feels good!                      | Jealous Scorpio is too much for Pisces                     | Quick and dirty love affair, no-one really cares    | Great sex potential, usually unrealized fantasy               | Aquarius is smitten with desire, Pisces isn't        | Two prima donnas in the same love affair? No way!              |
